Board of Directors Meeting

Monday, May 19, 2025

Meeting Minutes

The BOD meeting was called to order at 3:01pm by President Kevin Kennelley who confirmed that the meeting was properly warned and that we had a quorum present.

Board Officers present were Kevin Kennelley, Rosalie Deitz, John Melson and Bill Barry:

Officer and Committee Reports were provided for the President's Report, Treasurer's Report, Greens Committee Report, Membership/Marketing/Summer Program, Ranger Report and Documentation/Website. Highlights from these reports are summarized below:

President's Report: The summer season is in full swing, and the summer program is off to a very good start. The Grounds crew under Jeff Heward's direction have begun implementation of their summer projects and hurricane preparation including trimming of trees is planned for to begin in the next week or two.

Treasurer's Report: April 2025 financials were discussed and for this first month of our fiscal year we have a gain of \$17,223 so we are off to a very good start.

Green's Committee Report: The summer work program has begun. Dolphin Landscape will begin hurricane tree trimming next week. Our new Thorgard Lightning Detection is up and functioning. The Rainbird Satellite system for irrigation is all dialed in. The plan is to purchase 60 new Rainbird sprinkler heads annually to replace old ones. All will be replaced in the next 6 years. The Assistant Superintendent didn't work out. His skill set was not as advertised, so we're interviewing candidates again to fill this vital role.

Membership/Marketing/Summer Program: We now have 92 Summer Memberships which is a significant increase over last year and we are targeting to have this increase up to 100 over the next couple of weeks.

Ranger Report: We have 14 rangers available for the summer season and we will begin to provide cold rags to players to help deal with the heat.

Documentation/Website Report: Over the past month we have completed the Tom Fazio project so please take a look at the video on our website. Additionally, frequent guest and retired professional Golfer, Hugh Baiocchi gave us a great reference for our golf club that can also be seen on the website Membership page.

The Meeting was Adjourned at 3:23 pm

Respectfully submitted,

Kevin Kennelley

President
